medicine as a nutritionist.

Other interests

Sir Richard has many other commitments. He is a member of the Council of the British-Kuwait Friendship Society, a member of the Court of Governors, the Royal Shakespeare Theatre, the President of the Voluntary Arts Network, a non-executive director of Meridian Broadcasting, a trustee of Geographers' Map Trustees, Chairman of the Atlantic Council of the United Kingdom and Chairman of the Commonwealth Foundation. He is resigning from most of these positions in order to concentrate on being Governor of Gibraltar. He is also Deputy Lieutenant of the County of West Sussex.

Sir Richard is glad there is robust support for Gibraltar in Parliament and will welcome visits from MPs and MEPs to Gibraltar in the future to ensure that Parliament is well informed. Both Sir Richard and Lady Luce are avid supporters of Heritage. They are looking forward to being in Gibraltar and hope to meet as many Gibraltarians as possible in the shortest timespan.
